http://www.agneshotel.com/foreign/e_access.html

Note that the hotel booking has to be done by filling and sending the accompanying “Trip schedule form” **before September 1st, 2016**. A confirmation e-mail will be sent to everyone who responds to this request.

Official language: English

Abstract submission:

Original contributions to the clinical, experimental, analytical and computational aspects of biomedical acoustics are solicited. Topics of interest include, physical, biological and physiological modeling; computational and statistical processing and analysis; and quality assessment of acoustic signals measurable in the clinical environment such as cough, snoring, lung and swallowing sounds. Presentations of clinical cases or transducer development are welcomed. All acceptable abstracts will be published in the proceedings of the conference and be made available online to ILSA members.

Abstracts should be prepared as up to 1 page text including optional accompanying figures and tables.

Please send your abstract in .doc or .rtf format via e-mail at:

ILSA2016@coac.co.jp and sadaishi@massmed.org

Deadline for abstract submission: **August 19th, 2016**

Notification of acceptance/rejection: **September 1st, 2016**

*We extended the deadline.
